In electric supplies

There is nothing on the calendar that we cannot furnish—if we haven't it in stock, we can make it for you.

Especially in electric and gas chandeliers, do we excel—our designers being the best furnished by either this or the old country, and every piece that leaves this shop is absolutely exclusive in design, and perfect in workmanship.

Prices, too, are lower than in other electric supply houses. We make the goods and share no profits with the "middle man."

MEN'S COLLARS

As well as their shirts should be washed and ironed perfectly, especially in the summer.
More discomfort is caused from poorly laundered shirts and collars than any other part of the man's apparel—an overly starched shirt, collar with saw edges, cuffs with no stiffening—all go to make a man's life miserable.
Avoid all these and many other unpleasantnesses by having the Sanitary Laundry handle your washing.
